OLIVER AMES FOOTBALL BOOSTER CLUB
OLIVERAMERSFOOTBALLBOOSTERS@GMAIL.COM

We have begun planning for the upcoming Oliver Ames Football season and the team is poised for another exciting year of Hockomock football. The Oliver Ames Football Booster Club is also beginning plans for 2018. We are a non-profit organization whose mission is to support the participants of the football program offered by the Easton Public Schools. Our fundraising activities are strictly directed to supporting the operation of the football teams and to defray the cost borne by the players' their families.

We would like to solicit your assistance in the form of a sponsorship for the 2018 season. With a $250 donation we intend to make public the generosity of our sponsors by featuring their names in the Sponsors section of our website, www.oafootball.com, as well as including the sponsor names on the Sponsors' Banners that are displayed at OA for all home games. However, if you wish your sponsorship to remain anonymous, please just let us know and we will refrain from this recognition.

Thank you in advance for considering a sponsorship for the program.

Sincerely,
OA Football Boosters
