Dear Friends and Family,

As you may know, I love to play football! I have joined the Oliver Ames High School football team for the 2009 season and I would really like to show my commitment. My football coach believes that one way to do this is to participate in team fundraising. He suggested that everyone on the team create a list of important people in our lives who would appreciate our passion for football. I hope you don't mind that I've included you on my list.

With winter behind us and the construction of the new Oliver Ames Athletic Facility well on its way, the coach's number one priority is to make sure that our football program is a competitive force in the Hockomock League. He explained that there are many things that will contribute to our success, one of which is having the financial resources to support the program.

So, on behalf of the team, I wondered if you would consider a donation to our fundraising efforts. Below are just of a few of the more important items that we are trying to raise money for:

- Tackling Sleds (\$2,000)
- New Uniforms (\$10,000)
- Annual Scholarships (\$2,000)
- Annual Banquet (\$4,000)
- Film & Editing Costs (\$1,500)
- Participation Jackets (\$3,000)

Any amount that you can give will go a long way in helping us reach our goals, but we are also offering the opportunity for you to participate in one of four sponsorship levels. **With a donation of \$25, \$50, \$100 or more, you will be considered a top sponsor and your name will be recognized in a special section of our annual football program booklet.**

I am really excited to play football this season, especially on our new home field! My teammates and I have been working very hard and we are dedicated to the success of the program. With your help we will likely achieve our goals.

Thank you in advance for your generous support. Go Tigers!

Yours truly,
